*We Deliver*

# Tell Us About Yourself

KBRwyle's success and growth has been enhanced through the use of highly talented businesses that complement our core competencies. KBRwyle invites companies to use our online registry, the Partnering Opportunities Database (PODB) to introduce your company, letting us know if you are a Small Business, Small Disadvantaged Business, Woman-Owned Small Business, Hubzone Business, Veteran-Owned Business, or Service-Disabled Veteran-Owned Business.

The database is used by our procurement, business development and marketing professionals and senior leaders to search for suppliers whose capabilities match potential bid opportunities and meet current procurement needs.

Please log on to: <http://kbr.com/KBRwyle/PODB/>
