## Recently Awarded Project Profiles

### Base Operating Support Services, Diego Garcia

KBRwyle has been awarded a \$514.9 million fixed price with award fee contract to KBR Diego Garcia LLC operating under KBRwyle, KBR's global government services business, to provide base operating support (BOS) services at Navy Support Facility Diego Garcia in the British Indian Ocean Territory.

KBR Diego Garcia, LLC will provide a range of services from managing facilities and maintaining base vehicles to general management and administration, safety, port and air operations. KBR Diego Garcia, LLC will perform this work over the next eight years if all option years are exercised.

### Base Operating Support Services, Djibouti

KBRwyle, has been reawarded a \$441 million contract for base operations support services by Naval Facilities Engineering Command (NAVFAC) Atlantic. KBRwyle will perform these services primarily at Naval Support Facility Camp Lemonnier in Djibouti, as well as at Chabelley Air Field in Djibouti and Camp Simba in Manda Bay, Kenya.

Under the terms of the contract, KBRwyle will provide a broad spectrum of support in areas including public safety; air operations; ordnance; supply; morale, welfare and recreation; galley; facilities; utilities; vehicles and equipment; and environmental. The contract has a one-year base period and seven one-year options.

### Base Operating Support Services, Naval Support Activity, Bahrain

KBRwyle has been awarded a \$12,650,509 indefinite delivery/indefinite quantity contract for base operating support services at Naval Support Activity Muharraq, Bahrain. The maximum dollar value including the base period and seven option years is \$90,838,446.

The work to be performed provides for all labor, supervision, management, tools, materials, equipment, facilities, transportation, incidental engineering, and other items necessary to provide for public safety; galley; housing; facilities support; utilities management; and base support vehicles and equipment.

### War Reserve Material and Basic Expeditionary Airfield Resources Logistical Support

KBRwyle has been awarded this task order under the Air Force Contract Augmentation Program (AFCAP) IV. The project is located on Andersen Air Force Base in Guam. KBRwyle will be maintaining all pre-positioned WRM program assets to support deployed forces. KBRwyle will provide all labor, training, tools, vehicles, safety equipment and other items and services necessary to perform as a logistical force multiplier to reduce the time required to get needed supplies to the warfighter. This is a one year contract with an optional extension period.
